Report of Principal and School

Greenville High School Academy of Law, Finance, and Business continues to advance the achievement of students in all instructional programs and to promote lifelong learning for all stakeholders. Celebrating 125 years this year, the school has served the educational needs of the Greenville Community with a rich tradition of academic, athletic, and artistic excellence since 1888. The 2013-2014 school year was distinguished by many accomplishments that continued this long legacy of outstanding distinction. Located near the pulse of Greenville's thriving downtown economic center, Greenville High remains one of the most diverse and progressive schools in the Upstate. Our mission is to foster excellence by empowering students to become critical thinkers, productive citizens, and lifelong learners.

Our magnet program offers students a unique and specialized program of study that prepares them for the rigors of the 21st century. Through the exploration of a wide variety of topics and courses, students develop an understanding of our legal system and the world's financial and business markets with Business and Law Weeks.

Instructional efforts focused on continued alignment of state learner standards to the various assessments that students face – HSAP, ACT, PSAT, SAT, MAP and End-of-Course testing. We continued with the development and implementation of USA Test Prep, and math and English intervention programs. Benchmark testing provides data for instructional decision-making in all core courses, including all EOC and AP classes. Freshman Academy common planning provides teachers opportunities for continued collaboration, resulting in the continued decrease of 9th grade failures.

Greenville High strives to meet the needs of all students by offering alternative pathways to academic success. We continue to move forward in the four key areas assessed on the Annual SC School Report Card. Our SAT and ACT composite scores and AP Pass Rate continue to progress. Twenty-two students were named as Palmetto Fellow Scholarship recipients and 14 were named SC Academic Honors Award recipients. We had two National AP Scholars and 11 AP Scholars with Distinction. Greenville High was recognized by Newsweek Challenge as a Top 1500 high school in the nation. Faculty members continue to distinguish themselves at local and state levels including five National Board Certified faculty members.

Although Greenville High School is successful in many areas of student achievement, we face the continued challenges of meeting the needs of a diverse student population. We will continue to refine the overall effectiveness of the Freshman Academy, to offer rigorous professional development opportunities to the faculty and staff, and to challenge ourselves to accelerate student performance while maintaining high expectations for success at all levels.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Greenville High School Academy of Law, Finance and Business has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
